Dear Students, Faculty and Staff:

The 2015-2016 University of Illinois at Chicago Annual Security and Fire Safety Report was recently updated to include a listing of primary prevention and awareness programs for all incoming students and new employees, as well as ongoing awareness and prevention campaigns for current students and employees (Section 13: Pages 245-252).

The report is offered in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)). You may use this document to learn more about the many safety and security programs and resources available at UIC and its regional health science campuses in Peoria, the Quad Cities, Rockford, Springfield and Urbana-Champaign. It includes, but is not limited to: campus safety and security policy disclosures; statistics for the previous three years (2013 to 2015) concerning reported Clery Act crimes in certain non-campus buildings or property owned or controlled by UIC, and on public property within or immediately adjacent to and accessible from, each campus; and fire statistics for on-campus student housing facilities for the previous three years (2013 to 2015). Statistics for the current calendar year (2016) will appear in next year's report.

The report also includes policies and procedures on campus safety and security, such as alcohol and drug use, crime prevention, the reporting of crimes, dating violence, domestic violence, stalking, sexual assault and other matters.

The full text of this report is available online on the UIC Clery Compliance website (www.clery.uic.edu) in PDF format.
