If you are planning to attend UIC during the 2023-2024 academic year and believe you are independent for financial aid purposes, submit a letter explaining the reason(s) in detail. Per federal regulations, a parent’s unwillingness to provide their financial data, a student’s living arrangement, or the student’s ability to support themselves financially do not constitute grounds for independent status. Appeals are considered on a case-by-case basis and are not guaranteed.

  - C. Supporting documentation (i.e. court papers, police reports, records from social services agencies) verifying the circumstances mentioned in the appeal.
  - D. A copy of a current lease, signed by you and a landlord showing your name as lessee.
