

UIC College Cost Worksheet per semester

This worksheet will help you determine your direct or out of pocket costs to attend UIC. It provides an example and general framework to assist you in estimating direct university costs, affordability, and a decision with your financial aid offers for a full time student.

What will it cost per semester?	Example	Actual
Tuition (see link below or your Financial Aid Offer)	\$5,712	
Tuition Differential (if applicable)	\$0	
Mandatory Fees (see link below for individual charges)	\$2,320	
Housing & Meal Plan (review your dorm contract or website)	+ \$8,550	
The Total Anticipated Amount Billed to Student:	= \$16,582	

Tuition & Mandatory Fees (per semester) can be found at: <https://registrar.uic.edu/tuition/>

Housing Rates can be found at: <https://housing.uic.edu/rates/>

Financial Aid Notification

	Offered Aid	Actual
Grants and Scholarships (Gift Aid/Free Money)		
Pell Grant (see your financial aid offer)	\$3,697	
Monetary Award Program (MAP) see your financial aid offer	\$3,600	
Additional Grants	\$1,850	
Scholarship (Institutional and/ or external scholarships)	+ \$1,000	
Total Grants/ Scholarships:	= \$10,147	

Remaining Balance for semester?	Balance	Actual
(Total Anticipated Amount Billed to Student - Total Grants/ Scholarships)	= \$435	

How will I pay the balance? You can use loans listed below

Loans

1. Student Loans (Guaranteed Federal Loans)	Subsidized:	\$1,721	
The student should accept or decline loans on financial aid notification	Unsubsidized:	\$990	
If accepting loans student must complete loan requirements at https://studentaid.gov			
2. Private Student loan (Credit based loan with private lender)		\$2,000	
The student must apply with lender to receive this loan			
3. Parent PLUS Loan (Credit based Federal Loan for Parent)	+	\$0	
The parent must complete loan requirements at https://studentaid.gov			
Estimated Amount of Total Accepted loans:	=	\$4,711	

Remaining Balance for semester? You can use the UI-Pay Payment Plan for remainder of the balance		
(Remaining Balance - Total Loans Accepted)	=	\$1,724

The University of Illinois provides an **optional** UI-Pay Payment Plan which allows students and Authorized Payers to spread payment of anticipated tuition, mandatory fees, room and board expenses over a number of months. You can review this information at the following link: <https://paymybill.uillinois.edu/payments/PaymentPlan>
